

# HOW DO I ACCESS THE WiFi NETWORK WITH MY DEVICE?

1. Go to your Settings, select WIFI network (CityTech-WiFi or NYCCT):

- **CityTech-WiFi** – No Password needed for network

**Note: You must have up to date anti-virus software to connect to NYCCT on your LAPTOPS!**

- **NYCCT** – Password: **NewYorkCityCollegeOfTechnology**

2. Open up a web browser and navigate to: <http://ecsa.citytech.cuny.edu>

3. Click on **“Faculty/Staff and Students”**.

WELCOME to Citytech Network Access Control  
To gain access to the College WiFi or wired network users are required to adhere to basic security policies. Please ensure that you have an updated antivirus program and latest operating system patches.

What are the policies?  
Please select one of the following options:

#### USERS

[Faculty/Staff and Students](#)  
[Personal and Academic Services](#)

#### GUESTS

[Users needing temporary access](#)  
[Internet services only](#)

Student Helpdesk (718.260.4900) - Administrative Helpdesk (718.260.5626)

#### AUTHENTICATE TO CAMPUS NETWORK

Students must login using their campus Microsoft email and password.

Faculty and staff must use their Novell Network login and password.

You will be required to download a disolvable agent onto your device. Please run the agent once the download is complete. The agent will scan your device to ensure that security policies are met prior to allowing you access to the network.
