

HOW TO INSTALL CUNY VIRTUAL DESKTOP

New York City College Of Technology active students have the ability to use CUNY virtual desktops to access desktop applications.

1. Go to <http://www2.cuny.edu/about/administration/offices/cis/virtual-desktop/installation/>
2. Click on **Mac Client** under the Mac Installation.

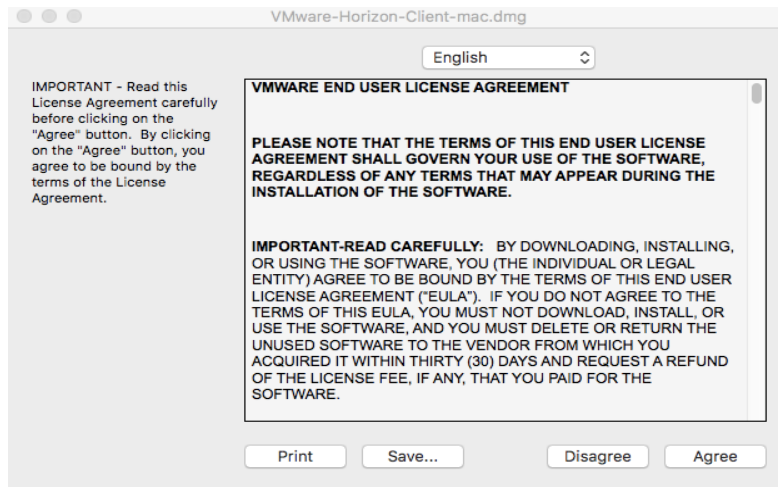

DOWNLOAD THE CUNY VIRTUAL DESKTOP APPLICATION:

Mac Installation

Mac client

Plugin for CUNY Virtual Desktop Mac user

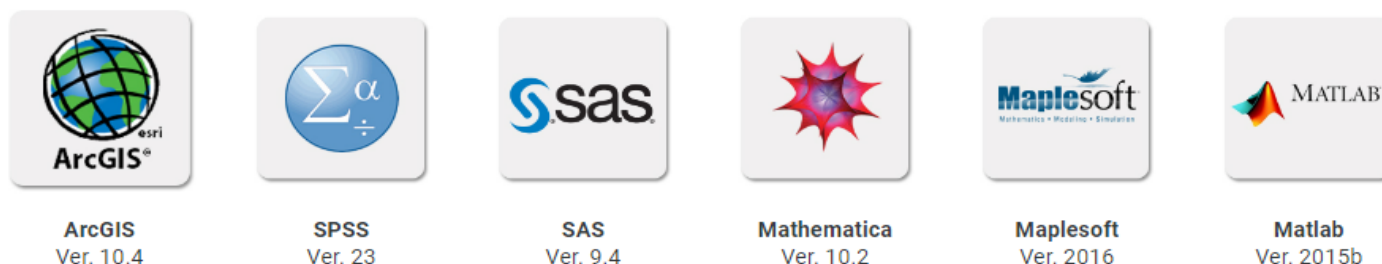

3. After the file is downloaded, open it. Click on **Agree** after viewing the Agreement License.

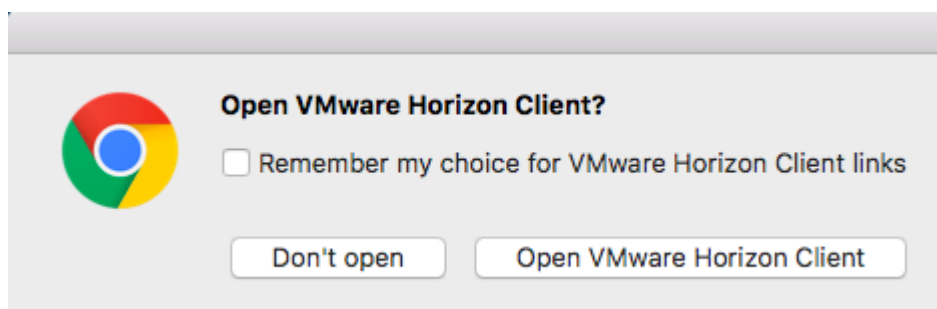

4. Drag the VMware Horizon Client icon over to your Applications folder.

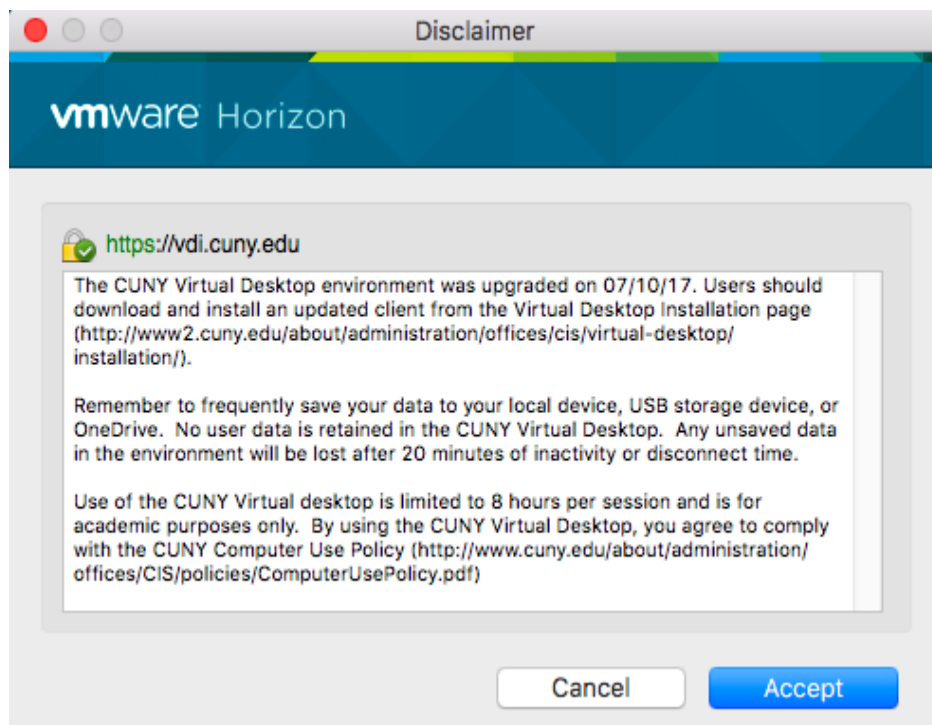

4. Return to CUNY Virtual Desktop website: <http://www2.cuny.edu/about/administration/offices/cis/virtual-desktop/> and select the software you wish to use.

5. Click on **Open VMware Horizon Client**.

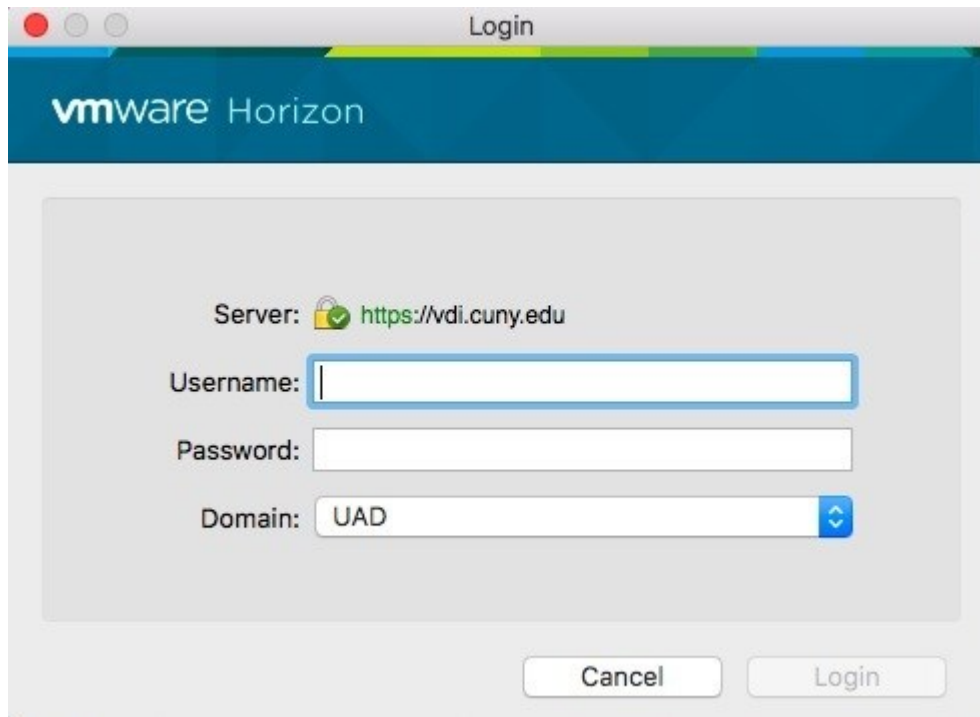

6. Click **Accept**.

7. Login using your CUNYFirst username followed by **@login.cuny.edu** and your CUNYFirst Password.

e.g: Jane.Doe87@login.cuny.edu

The image shows a screenshot of a web browser window titled "Login". The page features the VMware Horizon logo at the top. Below the logo, there is a login form with the following fields:

- Server:  <https://vdi.cuny.edu>
- Username:
- Password:
- Domain: 

At the bottom of the form, there are two buttons: "Cancel" and "Login".
