

HOW TO INSTALL CUNY VIRTUAL DESKTOP

New York City College Of Technology active students have the ability to use CUNY virtual desktops to access desktop applications.

- 1 . Go to <http://www2.cuny.edu/about/administration/offices/cis/virtual-desktop/installation/> and click on desired system type.

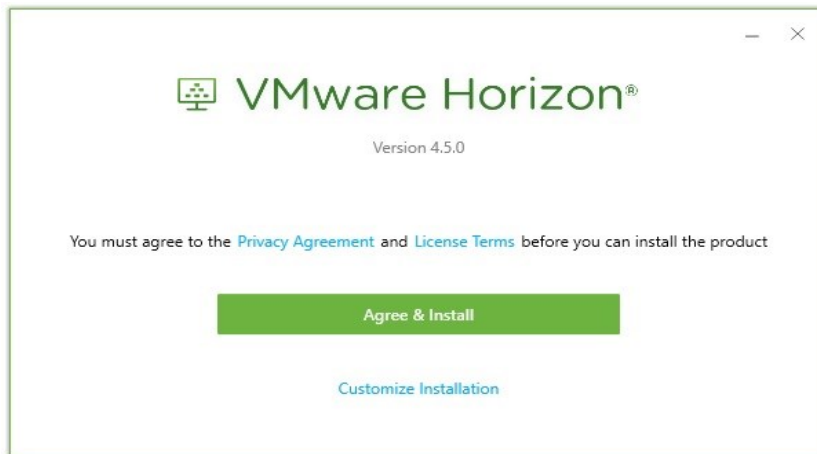

DOWNLOAD THE CUNY VIRTUAL DESKTOP APPLICATION:

Windows Installation

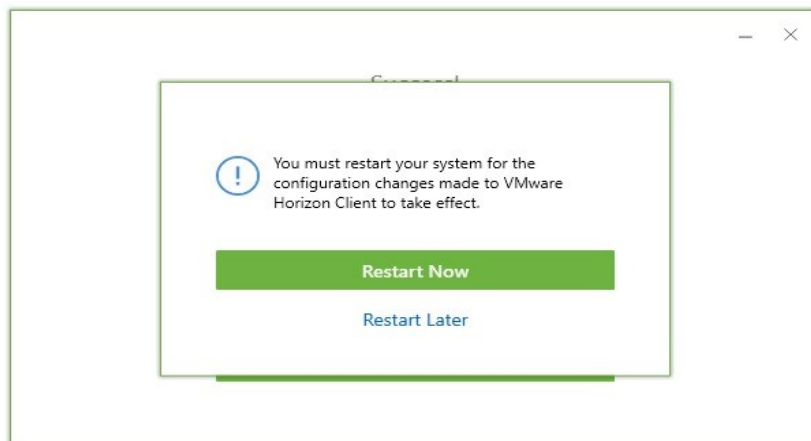

32 bit – Windows client

64 bit – Windows client

3. Click to install file after it has been downloaded.
4. Click **Agree & Install** to continue.

5. Once installation is complete, click **Restart Now**.

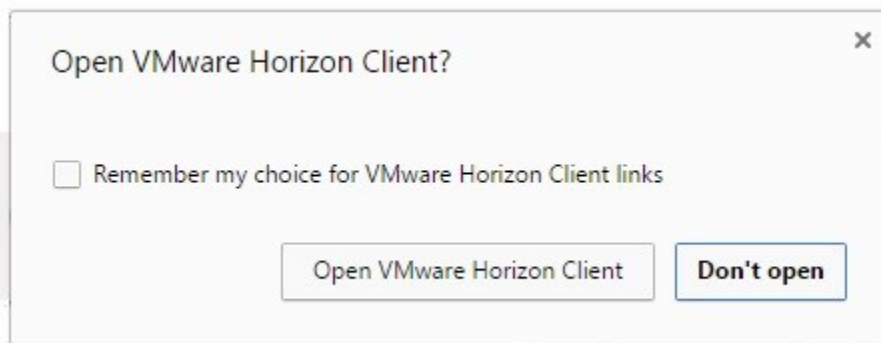

6. Navigate to <http://www2.cuny.edu/about/administration/offices/cis/virtual-desktop/> after re-starting your computer.

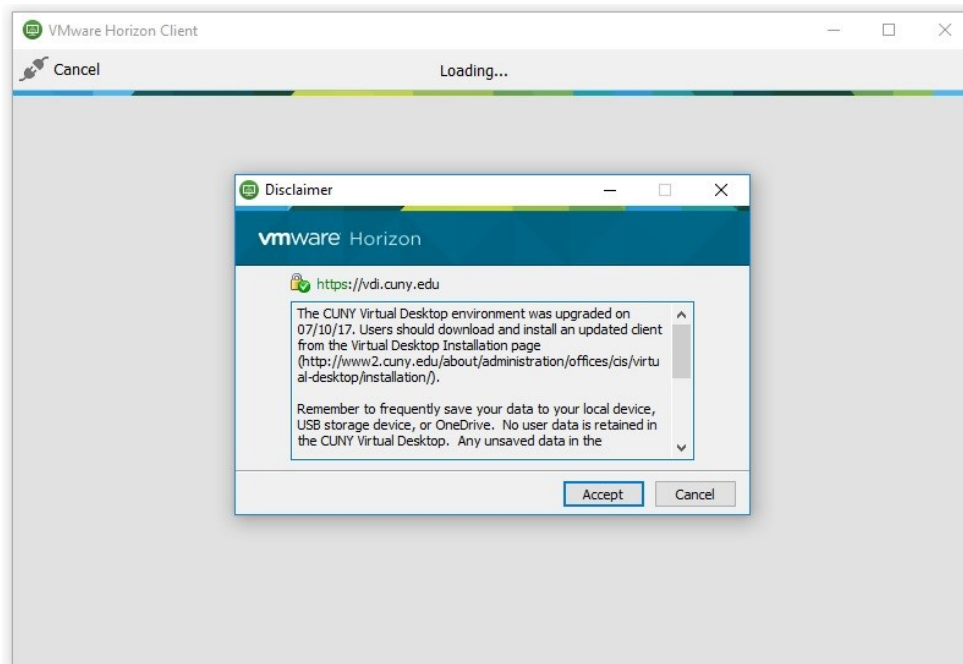

7. Select the software you wish to use.

8. Click on **Open VMware Horizon Client**. This message may vary depending on what browser you're using. If it asks for a server, enter **vdi.cuny.edu**.

9. Click **Accept** on the Disclaimer.

10. Login using your CUNYFirst username followed by **@login.cuny.edu** and your CUNYFirst Password. e.g: Jane.Doe87@login.cuny.edu
